The Old Dominion Equestrian Endurance Organization, Inc. is an organization which fosters and encourages both the use and development of the working horse through various efforts. It is the intent of the Old Dominion to provide the opportunity to participate in a challenging sport and at the same time to provide the rider with the knowledge to make it both safe and enjoyable.

Awards: In keeping with our philosophy that "To Finish is to Win", each contestant that passes the final veterinary examination after crossing the finish line will receive a completion award.

Ride Camp: Ride camp will be located at The Old Dominion base camp in Orkney Springs, VA. **DOGS MUST REMAIN ON LEASH AND/OR CONFINED IN YOUR CAMP SITE AREA!**

Directions to Base Camp:

From the North on I-81 South, take Exit 273 (Mt. Jackson), turn right at the top of the ramp onto Mt. Jackson Rd. Go to the T, turn left onto Rte 614 for 1.1 miles, then a right (west) onto Rt 263 (Orkney Grade). Stay on 263 for about 11 miles, taking it slow on winding, downhill grade as you enter Orkney Springs. As the grade levels out, take your first left onto Happy Valley Road. Go ½ mile; turn right at right hand bend in road to reach the entrance of the Base Camp field about 200 yards down on your left.

From the South on I-81 North, take Exit 269 (to avoid traffic in Mount Jackson), turn right off exit ramp and then left onto Rt 11 North, continue about 2 miles, then turn left onto Rt 263, following this road about 11 miles. Follow the above directions from that point.

Registration & Vet-in: Registration & Vet-in will be from 3-5 p.m. on Saturday July 28 for the Saturday night event, and 5:30-6:30 a.m. Sunday July 29 for the Sunday events. All horses must be examined by a veterinarian before the event in order to be able to start, during the event in order to be able to continue, and at the end of the event before completions can be awarded. The veterinarian's decision is final.

Ride & Tie Briefing: A meeting will be held at approximately 5:15 p.m. Saturday for all riders/runners in the Saturday night event to review up-to-date trail conditions, markings and the locations and logistics of the check points and holds. Questions from participants will be answered at this time. The meeting for Sunday's events will be at 6:45 am.

Riding the trail: HELMETS ARE REQUIRED WHILE MOUNTED! Once the event has begun, the rider is free to choose his/her own pace as long as the veterinary committee has ensured at the mandatory checks that the horse is recovering to the safe parameters of temperature, pulse and respiration, and that there are no signs of excessive fatigue or lameness which would endanger the horse. **The terrain may have sections that are rocky and challenging. Plan to ride accordingly. Shoes are required for the 12 and 20 mile distances and pads are recommended. Hoof boots count as shoes. No smoking on the trail.**

Liability Release

This release must be signed and returned with your ride entry. No cross-outs or additions are permitted.

As a participant in a ride sponsored by the Old Dominion Equestrian Endurance Organization, Inc., I agree to abide by the rules of the Ride & Tie Association and the Old Dominion Equestrian Endurance Organization, Inc.

In consideration for permission to enter and participate in the Old Dominion Ride and Ties, I do hereby for myself, my heirs and assigns, release and hold harmless ride management, ride personnel, all property owners over whose land the ride crosses, the Ride & Tie Association, their agents, officers, servants, employees and officials, from all claims, demands, actions and causes of action of any kind, for injury or death sustained by me or my horse, and damage to my property, incurred during this ride, arising from negligence or any other fault. "Ride" includes from the time I and my horse arrive at base camp until the time that we leave the premises, as well as the actual event. "Horse" means the animal(s) I am riding, driving, or have entered.

I understand that horseback riding is an inherently dangerous activity and am aware that 1) the ride involves being in areas for extended periods of time far from communications, transportation, medical and veterinary assistance; 2) that these areas have many natural and man-made hazards, which ride management cannot anticipate, modify, or eliminate; 3) that both my own horse and those of other contestants can be excitable, difficult to control and unpredictable, and can panic, bite, rear, kick, strike, stumble or fall; 4) that as a result of participating in the ride, I or my horse may be injured, die, or my property damaged.

I agree to take full responsibility for myself and my horse and for any other party or animal that accompanies me; I recognize that the ride is a strenuous activity and I represent that I and my horse are in adequate physical and mental condition to participate. I recognize that my participation in the ride is voluntary.

I HAVE READ AND UNDERSTAND THE ABOVE LIABILITY RELEASE AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS.
