We hope you'll join us this year for the third and last of the Triple-Crown endurance events for 2010. The Fort Valley ride is distinguished by its challenging Old Dominion trail, its beautiful fall foliage, and its warm, casual camaraderie. This year, the base camp again will be Fitchett's field, a primitive grassy venue.

- Base camp will open on Wednesday, October 20th at 2 pm, and close at 6 pm on Sunday, October 24th. Camping needs outside of these times can be met by the nearby Fort Valley Stables (FortValleyStable.com). Email them at fvs@shentel.net.
- We will have horse water available, but bring your own drinking water for rider and crew.
- All vet checks will be at base camp.
- Note that the rides are on Friday and Saturday. There will be a 30 mile LD ride and a 50 mile endurance ride each day. The ride is sanctioned by AERC and ECTRA. AERC rules will apply.
- Pot Luck dinner Thursday night – we'll have some soup, you bring a side dish or dessert.
- Coffee and pastries will be served on Friday, Saturday, and Sunday mornings. Dinner will be served Friday and Saturday nights. Tickets for the rider are included as part of the entry fee. Additional tickets for crew and extra nights' stay will be available for purchase.
- Registration will start at 2 p.m. and Vet-in will start at 3 p.m. the day before each ride.

- A meeting will be held at approximately 7:00 p.m. each evening before the ride to review current trail conditions and markings. Questions from participants will be answered at these times.
- On Saturday night, we will draw the winning ticket for the Asgard Arabian Raffle for 2010. The winner will be able to take the beautiful filly, Preferee, home on Sunday. Jeff Crandell has had this filly in training since June and reports that he really likes her. Plan to see him demonstrate his natural horsemanship methods with Preferee in the round pen. Raffle tickets will be on sale all weekend, and proceeds benefit the Old Dominion Endurance Rides.
- Approved ASTM helmets are required at all times when mounted.
- Current negative Coggins certificate, within 12 months, must be presented at check-in or mailed with entry.
- Dogs must be confined/on leash at all times, for the safety and enjoyment of all.
- Shoes are required in all Old Dominion rides; pads will be helpful for some horses.
- Pre-registration is extremely helpful to ride management. Please try to get your entry postmarked by October 13th to take advantage of the discount available.
- Cancellations received before October 22nd will get a full refund minus a \$25 per ride non-refundable deposit. Cancellations received on or after October 22nd will receive a partial refund. Any rider that declines to go out the second day on the same horse will receive a full refund. You will be able to either change your horse or your rider on your entry up until the day before the ride starts.
- All riders explicitly agree, by entering, that they will not leave the grounds without veterinary approval, in the event that their horse is pulled for metabolic reasons.
